Sub: Further update on Marico's business operations in Bangladesh

Dear Sir/Madam,

We are writing further to our earlier letter dated August 7, 2024 apprising the status of Marico's business operations in Bangladesh in the wake of recent developments in the country.

By way of additional update, we would like to inform you that our manufacturing operations in the country have resumed at normal scale yesterday. Operating conditions in the market have been gradually improving and a large majority our retail sales force and distributors have been functioning since last week.

We continue to prioritize the safety of our employees, factory workers, distributors and other stakeholders of our business.

As previously mentioned, we firmly believe that the medium-term prospects of Marico's business in Bangladesh remain intact.

We request you to take the aforesaid update on record.

This intimation is also being made available on the Company's website at:

Thank you.

Yours faithfully,
For **Marico Limited**
