* During the year ended March 31, 2018 the Company had made an assessment of the fair value of investment made in its subsidiary, Marico Consumer Care Limited (MCLL), towards the acquisition of the Youth portfolio in 2012. During the year ended March 31, 2018, the Company had made a provision of Rs. 104 crores towards impairment of investment made in MCLL, after taking into account the past business performance, prevailing business conditions and revised expectations of the future performance. The same is disclosed under "Exceptional Items" in the Standalone Statement of Profit and Loss.

During the year ended 31 March 2014, the Capital Reduction Scheme pertaining to MCLL for the adjustment of intangible assets was duly approved and given effect, wherein the value of intangibles in MCLL was adjusted against Share Capital & Securities Premium in MCLL and against Reserves in the consolidated financial statements. Consequent to this, the above mentioned impairment provision has no impact on the consolidated financial statements.
