Notes :	
ι.	The audited consolidated financial results for the half year ended September 30, 2007 (H1 FY08) comprise of the audited financial results of Marico Limited (the Company) and Kaya Skin Care Limited and unaudited financial results of Marico Bangladesh Limited, MBL Industries Limited, Marico Middle East FZE, Kaya Middle East FZE, MEL Consumer Care SAE, Pyramids for Modern Industries, Egyptian American Investment & Industrial Development Company (with effect from July 1, 2007) and Sundari LLC. All the aforesaid entities are collectively called 'Marico'.
	The financial results were reviewed by the audit committee at its meeting held on October 24, 2007 and approved by the Board of Directors of Marico Limited at its meeting held on October 24, 2007. The financial results of Marico Limited (standalone) for the quarter and half year ended September 30, 2007 and financial results of Marico group for half year ended September 30, 2007 have been subjected to audit by the statutory auditors of the Company.
	The primary reporting of the Company is based on business segment. Marico Limited (standalone) has only one reportable segment for the quarter and half year ended September 30, 2007 in terms of Accounting Standard 17 "Segment Reporting" issued by Institute of Chartered Accountants of India which is manufacturing and sale of consumer products. The Company had, during the quarter and half year ended September 30, 2006 and year ended March 31, 2007, other segment comprising skin care services.
	In Q4 FY 07, carrying value of intangible assets was adjusted against the balance in securities premium account and capital redemption reserve account in terms of a financial restructuring scheme under the provisions of the Companies Act, 1956 and approved by the shareholders on February 8, 2007 and the Hon'ble High Court vide its Order dated March 23, 2007. The depreciation, amortisation and impairment for Q2 and H1 FY08, therefore, is lower as compared to Q2 and H1 FY07.
	The Corporate Governance Committee of the Board of Directors of the Company at its meeting held on June 30, 2007, has granted Stock Options to certain eligible employees pursuant to the "Marico Employees Stock Options Scheme 2007". In all, 80,56,100 options have been granted. The grant of stock options to employees does not result in any employee compensation costs under the "intrinsic value" method determined in terms of SEBI guidelines as the grant price is equal to the market price of the share on the grant date. Had the Company considered 'fair value' method then the employee compensation cost would be Rs. 1.9 crores and the PBT would be lower by the same amount.
	Diluted EPS for the quarter and half year ended September 30,2007 has been calculated as per Accounting Standard 20 "Earnings per Share" issued by Institute of Chartered Accountants of India. The denominator, being the weighted average number of shares, has been calculated after taking into account 80,56,100 options granted under "Marico Employees Stock Options Scheme 2007". However, the impact on EPS is negligible.
	Exceptional items for the previous period include/represents a credit for reversal of provision made in ealrier year no longer required (quarter ended September 30,2006-Rs. 4.7cr, half year ended September 30, 2006-Rs.9.13cr and year ended March 31,2007 Rs.14.03 cr.).
	MAT Credit for the quarter and half year ended September 30, 2007 is net of reversal relating to earlier years Rs.4.28 cr.
	No investor complaints were pending at the beginning of the quarter. 17 investor complaints were received and 16 were resolved during the quarter. 1 investor complaint was pending as on September 30, 2007. (The complaint has since been resolved on October 01, 2007)

The dividend shall be paid to the shareholders whose names appear in the Register of Members as on October 30, 2007.
